**II. Members Present:** Bing Johnson, Wendy Salyer  
**Others:** Tom Schmelzer, Jason Porter (RRO), Sue Germann

**III. RRO Report:**

- a. Those committee members that were able to today, were able to meet Jason, the new recipient rights officer. Jason introduced himself and his background and encouraged an open dialogue from members as to what they'd like to see going forward from this committee to assure their involvement in the recipient rights process.
- b. Committee members expressed interest in knowing more about the appeals process, especially given newer members. The RRO Conference is scheduled for next week, which Jason will be attending, and information about the appeals process and the rights advisory committee will be brought back. Additionally, members were invited to attend the Conference.
- c. Additional members to the committee are encouraged, and may be required given that we've not had consistent attendance for the last few meetings and it is unclear if some members have discontinued. Jason will work with Sue in terms of promoting interest.
- d. The budget remains unchanged from previous meetings. The Fy '21 budget for rights will be reviewed at the next meeting.
